

Zerust® ICT® Weapon Protection Bag

TECHNOLOGY THAT PROTECTS METAL FROM CORROSION

PRODUCT INFORMATION

Zerust® ICT®510-C Weapon Protection Bags are easy-to-use, light weight, and high strength. The bags provide superior corrosion protection for weapons, weapon parts and accessories during shipment, storage and in-between operations. The bags come in small ideal for pistols and small accessories, and in large specifically for rifles.

Zerust® ICT® Weapon Protection Bags are made from our Zerust® ICT® 510-C Film—the most widely used Zerust® packaging product that has proven its performance with thousands of customers worldwide for over 20 years. Zerust® ICT® weapon bags are deployed in the field today as effective protection for military weapons and other equipment.
